INDIANA UTILITY
REGULATORY COMMISSION

PETITION

To the Indiana Utility Regulatory Commission:

L.M.H. Utilities Corp. respectfully represents and shows that:

1. Petitioner is a corporation duly organized and existing under and through the laws of the State of Indiana. Petitioner's office is located at 2005 Jamison Drive, Bright, Indiana 47025.

2. Petitioner is a public utility as defined by I.C. 8-1-2-1 and as such is under the jurisdiction of the Indiana Utility Regulatory Commission. Further, Petitioner believes that by virtue of I.C. 8-1-2-61, the Commission has jurisdiction over this matter. Additional statutes which may be applicable in this Cause may be found at I.C. 8-1-2-1 et seq.

3. Petitioner provides treatment facilities, collection systems, land, land rights, equipment, materials, supplies, working capital, and other property which is used and useful for the rendering of sanitary sewage disposal service to its customers. Petitioner provides such service to customers in Dearborn County, Indiana.

4. Petitioner's current rates, charges, tariffs, rules, and regulations are those last approved by this Commission in Cause No. 40891 through its Order of January 21, 1998. Such rates and charges are unjust, unreasonable, and confiscatory of Petitioner's used and useful property. Such tariffs, rules, and regulations are insufficient for the appropriate provision of sanitary sewage disposal service.

5. Petitioner requests authority to change its current rates, charges, tariffs, rules, and regulations as supported by the evidence of record in this Cause.

6. Service of all petitions, motions, reports, testimony, exhibits, or papers of any kind to be served upon Petitioner should be served upon Petitioner's counsel of record as here noted:

WHEREFORE, L.M.H. Utilities Corp. respectfully petitions this Commission to enter this Petition of record; set this matter for a Prehearing Conference at the earliest time possible; hold such other public hearings as are necessary; authorize changes in Petitioner's rates, charges, tariffs, rules, and regulations; and for all other relief justice would require in these proceedings.

Respectfully submitted,
